

ADAPTIVE ENVIRONMENTAL MANAGEMENT

Organizer: K.H. Reckhow

UNC Water Resources Research Institute
Box 7912, NCSU 1131 Jordan Hall
Raleigh, NC 27695
(919) 515-2815; FAX: 515-2839

SYNOPSIS

The invited speakers have a range of expertise (ecology, economics, political science), and are among the leading thinkers in “adaptive management.” Each will be asked to give a talk, and then the session will be concluded with a speaker’s panel discussion.

SPEAKERS

Kai Lee, Williams College
Leonard Shabman, Resources for the Future
Donald Boesch, University of Maryland
Don Scavia, NOAA
Paul Freedman, Limnotech
